

Singing

- A round is a song that repeats with voices coming in at different times.
- Standing up straight helps you to sing clearly.
- We warm up our voices to make us sing clearly.
- A chorus is the repeated part of the song.
- We count in before singing so that we start at the same time.

Perform - Singing - Ralph The Reindeer
Compose - Fire of London

Vocabulary

<p>A Round. A song – sung with voices coming in at different times or together.</p>	
<p>Tempo Fast or slow speed</p>	
<p>Pulse The steady beat</p>	
<p>Dynamics Loud or soft volume</p>	
<p>Pitch High or low sounds</p>	

Composing

- I can play instruments loudly or softly to sound like the rising panic during The Great Fire of London.
- Percussion instruments can be tapped, shaken or scraped to play sounds.

Performing

- We need to stand up straight to help us be **successful** when singing for a performance.
- We need to listen **politely** to others when they are performing.

Notation

We can use flames to show pitch - high and low notes.

Pitch – high or low sounds.... or in the middle

Low

middle

high

Listening and Responding- Classical Composers

Manuel de Falla's Ritual Fire Dance

We can move up and down like flames to dance to the music.
