Vocabulary

Singing

The positive power of music helps us to enjoy singing and moving to music.

We know that some songs have a chorus or a copy/respond singing part.

We can sing 5 songs from memory.

Eddie The Penguin Saves The World

Structure
Sections in music

Rhythm
Long and short sounds

Chorus
The part of a song repeated after each verse.

Lyrics
The words in a song.

Notation

Explore and invent symbols for sounds.

Follow pictures and symbols to guide our singing and playing.

Performing

We can show mutual respect by singing in time and making sure we all project our voices together.

We follow WKPS values when performing in front of an audience.

Listening and Responding
Christmas Songs

We listen carefully to music and copy back melodies with care and attention. This will improve our performance for an audience.
