

Key stage 1

**Events Beyond Living Memory** – The Great of Fire of London

**Changes within and beyond living memory** – Around the World

Children will learn about influential historical figures such as Christopher Columbus, Neil Armstrong and Mary Seacole and how their actions have shaped history.

**Local Study** – Welcome to West Kirby

Children will learn about different areas and significant individuals of the Wirral and their role in local history.

Children learn about the where and when the Great Fire of London happened. They compare houses then and now and understand why the fire spread so quickly.

**Changes in Britain** – The Stone Age, Iron Age and Bronze Age.

Children will learn about how Wirral was affected by WWII, the evacuation of children to countryside's and how daily life was effected.

**WWII** – On the home front.

Lower Key stage 2

Children compare living in Stone Age to the Bronze Age. They find out about homes, sources of food, transport, materials and the famous monument Stonehenge.

**WWII** – Battle of Britain

Upper Key stage 2

Children study Britain's invasion and settlement by peoples from Europe, how they travelled and where they settled.

**Black & British** h including Liverpool's involvement in the slave trade

Children will learn about the key events of the Battle of Britain, key factors that helped Britain win the war and about the Holocaust.

**The Vikings & Anglo** Children will learn about Britain's settlement by Anglo Saxons and their struggle for England with the Vikings.

Children will learn about famous black British people from the Stone Age through to the Windrush Generation. Focus on Liverpool.
