Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> School Games – Certificate of Participation 2020 -2021 Gold School Games Award 2022 <p>Awarded for providing activities remotely during lockdown and for providing intra competitions each half term on the Grammar School sports field. Also, for embracing and participating in the limited sport offered by WSG, due to COVID restrictions.</p>	<ul style="list-style-type: none"> Baseline – PE Specialist to assess fitness level of children in each year group. To put in place playtime and lunchtime guidance to make sure that all children are moving and that targeted children are encouraged to participate. To promote the Personal Best Programme with targeted children from Pupil Premium and SEMH groups, to promote resilience and develop self-esteem, through physical movement. To promote the importance of Water Safety and children accessing swimming lessons, in order to keep children safe when living near water and to improve on the percentage figures of children being able to swim 25 m by the end of Y6.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	87% 82 % 2022
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	84% 79% 2022
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	77% 79% 2022

<p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p> <p>Year 2 June 2022 - 34 children £790.00</p>	<p>Not last year because of pool closures. Not all pools re opened on the Wirral, leaving limited pool time for sessions.</p> <p>Booked in for Summer 2022</p>
